710 LABS

710 Labs crafts award-winning hash, limited waitlist-only flower, joints and the cleanest vape carts on the planet.

710 is renowned for offering connoisseur level organic products grown entirely in-house, taking sometimes absurd extra steps unheard of in an industry of fast commodity.

Where others use machines, 710 hand trims the flower, hand fills and rolls each joint by hand. 710 is a cult classic among the top echelon of cannabis insiders.

Puffco Peak included for use with all 710 Labs concentrates.
